

PRIVACY POLICY

Mirae Asset Foundation collects information from the user in many ways, for example when the user:

- Applies for grants or when you fill forms on or raise a query
- Signs up for volunteering activities

While applying for Mirae Asset Foundation grants or upon receiving any inquiry, a user is required to submit personal and organization information for verification purposes:

- Name
- E-mail and mailing address
- Telephone number
- Organization registration details
- Any other data as required under the applicable law, etc.
- Mirae Asset Foundation does not collect or record the user's personal information unless he/she chooses to provide it.
- Mirae Asset Foundation may use the information given to it in the following ways:
 - To keep an accurate record of all the grant applications received;
 - To update users about new events/developments through announcements
 - To make sure the user is receiving the most appropriate and relevant information.

Personal information collected by Mirae Asset Foundation:

We may collect personal information such as user(s) First Name, Last Name, E-mail Address, Job Title, Organization Name, Organization Registration Details, Country, City, and Phone Number. When user(s) provide information that enables us to respond to user(s) request for engagement, we will, wherever permissible by relevant laws, collect, use, and disclose this information to third parties.

Personal information that User provide to Mirae Asset Foundation directly through websites or e-mails

We may collect personal information such as user(s) First Name, Last Name, E-mail Address, Organization Name, Country, City, and Phone Number when User fill forms on or raise a query through our websites, or send e-mails, call us or write to us.

Personal information that is automatically collected by Mirae Asset Foundation when User(s) use Mirae Asset Foundation websites

In some instances, Mirae Asset Foundation automatically collects personal information about User(s) when User(s) visit our websites and through e-mails that we may exchange. We may use automated technologies, including the use of web server logs to collect IP addresses, device details, cookies, and web beacons. The collection of this information will allow us to improve the effectiveness of the Foundation's website and our promotional activities. Please see the section below on cookies for further details.

By using the Foundation's website, associated microsites, and mobile applications, user(s) agree to the processing of user(s) information as explained in this Privacy Statement.

The Foundation website may contain links to other sites outside our control and are not covered by this Privacy Statement. We encourage user(s) to review the Privacy Statement/Notice of each website..

How We Use User(s) Data:

The personal information we collect may be used to:

- Provide information and services as requested by user(s);
- Assess queries, requirements, and process requests for grants and services;
- Perform communication, service, payment, and administration;
- Conduct data analysis;
- Assess web site performance and usage analysis
- Maintain leads
- Run marketing or promotional campaigns
- Create brand awareness
- Provide better services and generate demand
- Market services based on legitimate business interest under the applicable law; or
- Conduct processing necessary to fulfill other contractual obligations for the individual

With user(s) consent, we may also use user(s) personal information for additional purposes. Instances, where sensitive personal information is collected, will warrant explicit consent. Unless it is necessary for our legitimate business purposes, should user(s) choose not to provide any personal information during certain activity, user(s) will nevertheless be able to continue with such activity wherever possible.

Sharing of personal information with third parties:

Mirae Asset Foundation does not share personal information with non-affiliated companies except (a) to provide services user(s) has requested; (b) when we have your permission; or (c) under the following circumstances:

- We may share information with affiliated entities/subsidiaries/branch offices for legitimate business purposes.
- We may provide the information to trusted entities who work on behalf of or with Mirae Asset Foundation under strict confidentiality agreements. These entities may use user(s) personal information to help the Foundation communicate with user(s) for other legitimate business purposes. However, the Foundation does not assign any independent rights to these entities to further share or disseminate this information;
- We may share information with statutory authorities, government institutions, or other bodies required for compliance with legal requirements.
- We may use the information to respond to subpoenas, court orders, or legal process, or to establish or exercise our legal rights or defend against legal claims;

- We may share information where we believe it is necessary to investigate, prevent, or take action against any illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, or as otherwise required by law.
- We may share information where we believe it is necessary to protect or enforce the Foundation's rights, usage terms, intellectual or physical property, or for the safety of the Foundation, or associated parties.
- We may share information about user(s) if the Foundation is acquired by or merged with another company.

User(s) may choose to give us personal information such as name and address or e-mail identification address ('ID') that may be needed, for example, to correspond with user(s), for to download our reports, white papers, to provide user(s) with subscription information, etc. We will endeavour to protect the quality and integrity of your personally identifiable information.

Mirae Asset Foundation will not be liable for any unsolicited information provided by you. User(s) consent to Mirae Asset Foundation using such information as per Mirae Asset Foundation Foundation's Privacy Statement.

Some pages on this Web site employ "cookies." A cookie is a small file that a Web site transfers to your computer's hard disk to allow the server to "remember" specific information about your session while you are connected. The Foundation may find it necessary to use the "cookies" system to collect data when you visit our web pages. This will help us find out which sections of our pages you are interested in.

Requests to send cookies are not designed to collect information about user(s), but only about User's "browser session." The cookies make it easier for user(s) to use the dynamic features of our Web site. The cookies and the information about session are automatically destroyed shortly after user close the browser. The information is not permanently stored on User(s) computer. No personal information is collected except as described above.
